

Warren Amplex Superabrasives Announces New Plant Manager

Warren Amplex Superabrasives - a manufacturing unit of Saint Gobain Grains and Powders - has announced Brian Rebuck as its new plant manager. Brian is a 1990 graduate of California State University - Chico, with a Bachelors Engineering. He is also a Six Sigma trained Black Belt.

Brian brings over 15 years of engineering experience - particularly in the Hard-Disk storage industry, to his new position. His primary responsibilities at the 40,000 square foot facility will be personnel management, purchasing, production, sales and quality assurance processes.

The plant is located at
1401 East Lackawanna Street,
Mid-Valley Industrial Park,
Olyphant, PA 18447
Phone: 800.368.5155.
